NORTH SURREY MINOR FOOTBALL

Dear North Surrey Community Business Sponsor:

I would like to thank the many businesses in our community who have generously supported the North Surrey Community Football program over the many years. As we know, in the current economy, money to support this program has become challenging. These realities have put strains on the funding we receive to run an outstanding football and cheer program.

Because of the support from local businesses in Surrey and the surrounding areas, the money we raise continues to directly support our players and the football program in achieving a foundation for success that exceeds what happens on the field and impacts the community at large. Being a corporate sponsor of the North Surrey football program will help to make a positive impact that is measured in our community and in the lives of our players.

Established in 1962, North Surrey Minor Football is a non-profit association run completely by volunteers. The goal of our association is to provide a safe and structured opportunity for youth to learn competitiveness and fair play through good sportsmanship and rule awareness in either football or cheer. Your contribution will help the program continue to teach the values to a wide population of young men and women who will ultimately make Surrey a better community.

I would like to thank you for your continued support of our program. Surrey's community football and cheer program has become a source of great pride in our community. As we continue to build for the future, we look forward to and need your support. Please accept this as a personal invitation to come share in the benefits of our club with others in our community by attending a game this season.

Effort and Respect,

Robert Lobelsohn

North Surrey Minor Football President
