BCCFA Membership Waiver

No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours.

You should also inform your child's coach if you think that your child may have a concussion. Remember, it's better to miss one game than miss the whole season and... when in doubt, sit them out.

For current and up-to-date information on concussions, please visit Football Canada's website at <http://safecontact.footballcanada.com/concussion-education/concussion-overview>

By signing this form, the signees (athlete and parent/guardian) acknowledge they have read this and understand the risk of head injuries associated with playing a contact sport.

BCCFA Annual Membership Refunds - There are no refunds for the BCCFA annual memberships.

☒ I have read, understand & agree to the above waiver.
